

Surface Rapid Check

1K Surface Rapid Check

Ideal for small damage repair situations when colour integrity is paramount. Perfect for spray out cards to validate match before application of top coat on vehicle. Can be used with both solvent and water borne basecoats.

Advantages

- › ISO free
- › Easy to apply
- › Evaporates completely after 60 seconds with no residue remaining
- › Simulates the depth and gloss of a clear coat

Article Number

368 0225 (306 g / 10.8 oz.)

Application Notes

- › Shake can fully for 2 minutes before applying
- › Spray from a distance of 6-8 inches (15-20 cm)
- › Requires just one thin spray pass
