SPRAYMAX 1K GRAVEL-CHIPGUARD

PRIMER MADE FOR PROFESSIONALS

1K Gravel-Chipguard is a textured, flexible and durable coating that matches fine to coarse OEM textures to protect the vehicle against stone chips, salt, damp and rust. It is permanent protection against mechanical and chemical influences.

ADVANTAGES

- Highest corrosion resistance
- Superior adhesion
- Highest abrasion resistance
- Fast drying
- Very high elasticity (= tough elastic)
- Protects permanently against mechanical and chemical influences such as stone chips, road salt, rust, water, ice, snow and corrosion
- Can be overcoated with all solvent based and waterborne base coats and 2K topcoat systems

PRODUCT INFORMATION

Part-No.: 3680 250

Color: gray

Size: 500 ml
